Bench Magistrates for Tumkur town.

Messrs. Hema Hanumanthiah, Karnick Nallappa and Yejman Huchaiya, Tumkur Municipality.

Summary of discussion.—If the system of Bench Magistrates is introduced into Tumkur town as in Bangalore and Mysore, it not only relieves the Amildar-Magistrate from a portion of his heavy work and thus gives him time to devote more attention to other matters but also affords opportunities for the education of influential merchants in this direction.

Reply of Government.—Enquiries will be made with regard establishing a Bench at Tumkur.

Brief Note on Bench magistrates at District Headquarters.

8

1. In April 1909, the System of Bench Magistrates was introduced experimentally into the Taluks of Bangalore, Mysore, and these institutions were made permanent on 3/5/13 in view of the success of the experiment and the utility of the Benches to the public.

9

2. If capable non-officials willing to serve as Bench Magistrates in Six other District Headquarters are available, there can be no reason or even justification for deferring the establishment of these Courts therein. This is the only point about which assurance is needed, as the usefulness of these institutions is undoubted and has been acknowledged by the Govt.

10

3. From the information available in the Secretariat, Six lists have been compiled showing the names of non-officials available for the purpose at the Six District Headquarters. The lists are as follow:—

Fl O — I. Municipal Councillors

Fl Q — II. District Board Members

Fl N — III. Dasserah R. Bombay Members

Fl T — IV. Economic Conference & Committee Members

Fl Y — V. Legal Practitioners

Fl V — VI. Retired Officers:—

These lists relate to the headquarters towns of Tumkur, Kolar, Chitaldrug, Chickmagalur, Hassan and Shimoga.

11

4. There being retired Officers with Magisterial Experience in the five towns of Kolar, Tumkur,

12	5. As regards the procedure, the District Magistrates concerned may first of all be consulted and asked to frame proposals including nomination of Benchers for the orders of Govt. Formal orders sanctioning the Establishment of the Courts as a temporary measure for three years, if necessary, may issue afterwards.

CHIEF JUDGE :- I am in favour of Benches being established at all the District Head Quarters where we have not got them now. The work they may have to do in the commencement may be small; but it will increase in course of time, and having regard to the experience gained in British India, it may be stated that the assistance these Benches will render will often be of a most valuable character, especially in these days when it may be found difficult or inconvenient to provide the necessary increased establishments to cope with the increase in judicial work.

at Shimoga, Chickmagalur, Hassan and Kolar, assuming that the agency required is available. There is very little doubt that public opinion in Tumkur and Chitaldurg will also presently demand an extension of the system to those towns, in spite of the adverse opinion now expressed by the District Magistrates for the time being. Whether or not sufficient work can be provided to occupy the whole time of these Benches ought not, I think, to be the chief determining consideration, though it cannot of course be left out of account: the educative value of the measure, its accordance with popular feeling, and the relief it may afford to the existing paid agency, are also points to be taken into consideration.

WALLACE J.:- I should like to see Benches of Magistrates (Honorary) established in all towns where there will be sufficient work for them to do. This must be the case at least in Kolar Gold Fields, but I am very doubtful if in any other place in the State outside Bangalore and Mysore there would be regular work sufficient to occupy a Bench, unless their territorial jurisdiction is extended beyond the municipal limits of the towns. The establishment of a Bench will have little educative value, unless the Bench has a reasonable amount of work to do. I think each Bench should have a prospect of at least 20 cases a month and if the territorial jurisdiction of Benches at Shimoga Chickmagalur, Hassan

States with refce to sl 13 that Kolar is not a big town and that there are no gentlemen there fit to discharge the duties of a Special Magistrate except the practising lawyers and that there are enough magisterial courts leaving no accomodation for another.

61. When the Dist Magistrate was first consulted in calling for statement of Criminal cases, he stated that no relief was req^d for any of the courts except the court of the Municipal Magistrate of Kolar which he suggests may confine itself to only 2nd class cases arising within its jurisdiction. From the present communication it will be seen that there is neither the necessity nor qualified men for the institution of honorary magistracy in Kolar town.

76) In April 1909, Courts of Bench Magistrates were constituted as an experimental measure in the cities of Bangalore and Mysore; and these institutions were made permanent in May 1913 in view of the success of the experiment and the utility of the Benches to the public.

77) 2. With a view to establish similar Courts elsewhere, enquiry was made of the District Magistrates whether any of the courts in their districts required relief on account of heaviness of criminal work or whether on other grounds Bench Courts would be useful. The replies received go to show that some courts in the districts of Kadur, Shimoga and Hassan need relief which it is expected, will be secured by the establishment of Bench Courts in the head quarter towns.

10-15 of office rules. (Cls 306-12)

78) 3. The Judges of the Chief Court have generally expressed themselves in favour of the extension of Bench Courts mainly on account of the relief such courts are likely to afford to the existing paid Magistracy, their popularity and their educative value.

Pages 16, 17 & 18 of office rules. (Cls 306-12)

79) 4. The question was considered in Council who are of opinion that a Bench of Honorary Magistrates may be constituted at each of the places, Shimoga, Kadur, Hassan and Tumkur. Eligible men are reported to be available in all these places.

Page 31 of office rules.

80) 5. The system may be tried in these places as an experiment for three years and made permanent thereafter if found successful. I now solicit the gracious approval of His Highness to the recommendation of the Council.

To

Secretary to the Government of Mysore,
General and Revenue Department,
B A N G A L O R E.

Sir,

I have the honor to bring to the notice of Government the conjestion of work of the Amildar Magistrate of Shimoga. The statistics I append to this letter will show that much time is taken in the disposal of nuisance and miscellaneous cases and cases of petty thefts. For instance in 1905-06, three nuisance cases have occupied 234 days for disposal, 26 miscellaneous cases have occupied 717 days. In 1912-13 20 miscellaneous police cases have occupied 574 days. This state of things is no doubt very unsatisfactory but it is unavoidable as the Shimoga Amildar has to attend to multifarious important executive duties. There is no chance of the number of such cases decreasing, and indeed any efficient and speedy disposal will give encouragement to the public to seek immediate relief. Considering that the new Police Regulation has come into force, it is very likely that the file of the Amildar Magistrate will grow heavy.

2. There are two 1st class Magistrates in the District Head Quarters and they have ample magisterial work to perform. It is not practicable for the Treasury Assistant Commissioner to attend to these miscellaneous cases as he will be engaged in disposing of cases triable by a 1st class magistrate and of cases to be committed to the Sessions.

25

3. Shimoga consists of very intelligent men of experience, and there are many retired magistrates and other persons who are acquainted with magisterial work. Many such influential people of the town have sat as assessors for a long time and they are necessarily acquainted with the disposal of criminal cases.

4. Under these circumstances, and in consideration of the system of Bench Magistrates having worked satisfactorily in the cities of Bangalore and Mysore, I propose that the Government may be pleased to appoint a bench of Magistrates for the Shimoga Town which will have jurisdiction over the taluk of Shimoga and Kumsi. Since the Amildar Magistrate is a touring officer, the chairman may be one who has exercised magisterial functions while in service. This arrangement will not only give relief to the litigant public, and the Amildar magistrate, but will go to great way in satisfying the legitimate ambitions of the people to take part in the administration of Law. Further it will put a stop to any adverse comments on the action of the magistrates which are generally passed in Shimoga in such petty criminal cases.

5. I have appended a list of the names of gentlemen who are at leisure and whose patriotism will no doubt stir them to accept the honorary position to work for the benefit of the country, and I leave it to Government to appoint any of them to form a Bench.

I have the honor to be,

Sir,

Your most obedient servant,

K Srinivasa Rao

SIR,

With reference to your No.J.1931-33/Cts.306-12 dated the 6th January 1914, I have the honor to state that Kolar is not a big town and we have already besides the District Magistrate, the Treasury Assistant Commissioner and 1st class Magistrate, the Malur Sub Division Officer and 1st class Magistrate, the Munsiff and 2nd class Magistrate and the Amildar and the 3rd class Magistrate on the spot.

To the best of my belief, there are no gentlemen in the town who are fitted for the appointment of Special Magistrates except the practising Lawyers, and I presume it is not intended that any of these gentlemen should be invested with magisterial powers.

I may also add that there is no accommodation for another Court, the Government offices being already overcrowded.

I have the honor to be,
Sir,

I have the honor to acknowledge receipt of your letter No. 19129-30/Cts.306-12- of the 6th January 1913, regarding the app intment of Special Magistrates in the Town of Channapatna and to state as follows:--

2. I made careful enquirees at Channapatna and regret that no names can be suggested at present. Channapatna has several - factions and a large turbulent element; and a Magistrate has to be one who has no sympathy with any faction, and will be - looked up by all and feared by the rowdy elements. No such non-official is now available. Mr. Abdul Khuddus is too -- young yet to command respect from all factions, and is very busy besides. Mr. Rangaiyengar does not know English and -- wishes plead a retired life. Mr. Garuda Char is practising as a -- Lawyer.

With reference to your letter No. J 19131-33/ Cts 306-12 dated the 6th instant requesting me to report the names of two gentlemen in the town of Tumkur for appointment under section 14 of the Criminal Procedure Code as Special M Magistrates in the town, I have the honour to invite in this connection, your kind reference to my letter No. 5 dated the 6th July 1913 and to state that there are no such public spirited non-official gentlemen in the town who could be select -ed and reported to Government as directed. There are only a few retired officers and some local Lawyers in the town. Among the former no selection could possibly be made on ac- -count of their advanced age and other obvious reasons which I refrain from putting on paper, while among the latter it needs no explanation on my part that none of them would accede to take up this honorary appointment leaving their profession which is almost their end and aim in such out of the way places like Tumkur where, after all, their legal remunerations are not so attractive as to give up their other avocations likely to supplement their professional earnings. Among the merchants also there are not such enlightened and educated gentlemen worth mentioning, as in the Head Quarter Cities of Bangalore and Mysore. Under the above peculiar circumstances,

Sir,

With reference to your letter No.J.1929-30/Cts.306-12 dated the 6th January 1914 requesting to be furnished with the names of at least two gentlemen in the town of Seringapatam who are considered fit for appointment under section 14 of the Criminal Procedure Code as Special Magistrates in the town, I have the honour to state that the marginally noted Municipal Commissioners and non-official gentlemen among whom practising lawyers are not included, are deemed fit for being appointed as Special Magistrates.

P.T.O.

These Special Magistrates may be invested with the powers of a Magistrate of the 3rd class and given jurisdiction to try all non-cognizable summons cases under the Indian Penal Code referred to in section 261 of the Criminal Procedure Code and also cases of offences falling under the Municipal and Vaccination Regulations arising in the town of Seringapatam to begin with. After knowing how the experiment works for a year and the amount of work that would be thrown upon the Special Magistrates without causing inconvenience to them, their jurisdiction may be extended over the whole Taluk.
